Mr. Gene K. Fong
Division Administrator
Federal Highway Administration
650 Capital Mall, Suite 4-100
Sacramento, CA 95814

Attention: Ms. Sue Kiser

Dear Ms. Kiser:

With this letter and pursuant to the authority delegated to me, I approve the following amendment of the Council of Fresno County of Governments' (COFCG) 2004/05-2009/10 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
3	Local Element <ul style="list-style-type: none">Modifies various projects in Fresno County. The projects included in this amendment are funded from the Congestion Mitigation and Air Quality (CMAQ) program and the Highway Bridge Replacement and Rehabilitation (HBRR) program. See enclosure.

I am also recommending that the Federal Highway Administration approve this FTIP Amendment No. 3 for inclusion into California's 2004/05-2006/07 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP in fiscal years not within the three-year cycle of the current FSTIP are not approved as part of this FTIP amendment and are shown for information only.

The changes being proposed to FTIP by this amendment have been found by COFCG to not require a conformity analysis or determination. Therefore, this FTIP amendment is consistent with the State Implementation Plan. The financial impacts of this amendment are compatible with anticipated revenues in the FSTIP Financial Plan and do not significantly affect the overall financial analysis. These projects are included and submitted by COFCG through the California Transportation Improvement Program

Mr. Gene K. Fong

System (CTIPS). Caltrans concerns, if any, are reflected in the "Caltrans comment" section of the FTIP Project Data Entry screen in CTIPS project by project.

In accordance with existing law, public involvement procedures are a part of the project selection process. COFCG prepared this FTIP amendment under that process permitting citizens, affected local agencies, other public agencies, and other interested parties reasonable opportunity for comment.

Please address any questions on this FSTIP approval request to Abhijit Bagde of my staff, at (916) 654-3638.

Sincerely,

X ROSS A. CHITTENDEN

Chief

Division of Transportation Programming
